Minutes of the Fifty-Eighth Annual Convention

OF THE

AMERICAN CHRISTIAN MISSIONARY SOCIETY

HELD IN NEW ORLEANS, LA., OCTOBER 9-15, 1908.

President, R. A. LONG, Kansas City, Mo.

Recording Secretary Pro Tem, GEO. A. BUSH, Gainesville, Tex.

THE BOARD OF DIRECTORS met in the Athenaeum, Saturday, Oct. 10th, at 2:30 p. m. The record of their meeting is as follows:

MINUTES OF THE ANNUAL MEETING OF BOARD OF DIRECTORS OF THE AMERICAN CHRISTIAN MISSIONARY SOCIETY.

The Fifty-eighth Annual Meeing of the Board of Directors of the American Christian Missionary Society was called to order at 2:40 P. M. by J. H. Allen, of St. Louis, Mo., being led in prayer by Brother W. M. Baker, of Meridian, Miss.

In the absence of the Recording Secretary, E. B. Bagby, W. H. Allen, of Muncie, Ind., was nominated and elected Secretary *pro tem.*

At the suggestion of W. T. Moore, that part of the Constitution relative to qualifications of those entitled to vote in this meeting was read, and a Committee on Enrollment appointed, said committee consisting of J. J. Morgan, of Texas; J. A. Hopkins, of North Carolina; Paul Moore, of St. Louis, and O. L. Smith, of Oklahoma. Committee reported seventy names.

The President then appointed a Nominating Committee, composed of Brother C. M. Chilton, of Missouri, A. J. Bush, of Texas, and A. C. Smither, of California.

The Fifty-eighth Annual Report of the Executive Board was then read by W. J. Wright, George B. Ranshaw and H. A. Denton, reporting for Sunday-school and Christian Endeavor respectively. After the report had been delivered, words of commendation for its excellent literary style and for the excellent showing in view of serious drawbacks were spoken, and a motion made and seconded that the report be adopted. This motion prevailed.

The Committee on Publication reported as follows: "Your Committee on Publication begs to respectfully report progress, and asks for additional time in which to consider the matter.

"W. P. CLARKSON, *Sec.*"

The report of the Board of Church Extension was then read and adopted with the recommendation to separate the work and office of the Board of Church Extension from the American Christian Missionary Society, transferring the base of operations from Cincinnati to Kansas City. The resolution of the Board of Church Extension was strongly reinforced by a similar recommendation from the General Board of Managers of the American Christian Missionary Society. These resolutions were adopted.

Motion prevailed that the Chair appoint a committee of five to confer with the committee from the Foreign Christian Missionary Society relative to the erection in Cincinnati of a building suitable for office purposes.

The annual report of the Board of Ministerial Relief was next presented, and a motion to adopt unanimously prevailed.

The Nominating Committee reported as follows: "Your Committee on Nominations begs leave to report as follows: For President, T. E. Cramblett, of Bethany, W. Va.; Vice-President, Finis Idleman, Des Moines, Ia.; Secretary, W. M. Taylor, New Orleans, La."

Committee: { C. M. CHILTON, A. J. BUSH, A. C. SMITHER.

The report of the Committee on Constitution, presented by W. R. Warren, of Pittsburg, Pa., precipitated lively discussion, and the day being far spent, action was deferred by a prevailing motion that this meeting adjourn until 10 P. M. this (Saturday) night.

The meeting Saturday night, October 17th, was called to order at 10:40. The question of revising the Revised Constitution came up for discussion.

The Constitution proposed was then read, article by article. Articles I. and II. carried. Article III., Section D, amended as follows: "Delegates from Churches. Each Church of Christ shall be entitled to one delegate, and one additional delegate for each one hundred members, provided that no church shall have more than five delegates."

Article III. further amended, by adding after section (d) "Presidents and Corresponding Secretaries of all State and Provincial Missionary Societies." This section to be numbered (e) and the following sections (f) and (g) respectively.

A new article, entitled Article IV., was then inserted as follows: "All State, Territorial and Provincial Missionary Societies may be auxiliary to this Society, and make annual reports to it of their receipts, expenditures and operations, all of which may be considered as a part of the work of this Society, and so reported to the Annual Conventions."

Article IV. was then numbered V., and the following changes made: To strike out the words Corresponding and Associate before the word "Secretary" and "Secretaries," said clause to read as follows: "Recording Secretaries, Secretaries, Treasurer and Auditor."

Also ordered that the entire last sentence of said Article V. of proposed Constituton be dropped entirely, cutting out the words "The Life Directors provided for in Article III., however, shall have charge and direction of the order of business of the Annual Convention of the Society."

Articles VI., VII., VIII., IX. and X. adopted.

Motion made and seconded to adopt Constitution as a whole, amended to include "That a committee be continued another year," the understanding being, that the Revised Constitution be in force for one year. Substitute motion made by I. J. Spencer: "That we do not adopt this Revised Constitution." Substitute carried.

Meeting adjourned at midnight to meet at the St. Charles Hotel, Room B, at 8A. M. Monday.

MONDAY, OCTOBER 19, 1908.

Meeting of Board called at 8 A. M., with B. S. Denny, of Iowa, Chairman *pro tem.* Prayer offered by H. C. Calhoun, of Lexington, Ky.

Motion prevailed to reconsider postponement of adoption of Revised Constitution.

Motion to adopt Constitution as revised for one year, and that a Committee on Constitution be appointed prevailed.

Motion prevailed that the Constitution as amended be presented to the Convention.

Motion prevailed that copies of the Constitution as revised, amended and commended be printed and distributed to the Convention.

FIFTY-EIGHTH ANNUAL REPORT OF THE EXECUTIVE BOARD OF THE AMERICAN CHRISTIAN MISSIONARY SOCIETY PRESENTED TO THE BOARD OF DIRECTORS AND THE CONVENTION, NEW ORLEANS, LA., OCT. 9-15, 1908.

IN rendering this account of our stewardship, we wish first of all to render thanks to our Lord for his gracious care and favor, and next to express our gratitude to our brethren for their confidence, loyalty, encouragement and support.

It has been at once a good year and a bad year, the best of times and the worst of times for missions. It has been a good year, because in the face of the financial depression, our Churches, Sunday-schools, Christian Endeavor and other societies have responded nobly; it has been a bad year because the industrial conditions in America have made impossible the great advance for which we had hoped.

It is our best year because nothing but increased interest in Home Missions and the confidence of the brethren in the management of affairs by the Executive Board, could have made possible our record for the year; it has been our worst year because we encouraged State Boards and missions to hope for much which we have found it impossible to perform.

We had hoped, in view of the approaching Centennial, in view of the vast amount of work to be done, and in view of our increased force of workers, to report $50,000 more raised and expended this year than last. The best we can do is to report approximately the same amount of money raised as last year, that is, $123,755.04, that being $157.89 ahead of our best former record.

We likewise report 108 missionaries supported by direct appropriation from our treasury, as against 82 last year, an increase of 26; the number supported through State Boards, according to reports received, is 247, as against 336 a year ago, a decrease of 89; but several of the states to which we gave large assistance have not reported. These figures, then, are incomplete.

We take pride in calling attention to our appropriations for direct missionary purposes: To our own missionaries we appropriated $37,329.99, as against $28,526.16 last year; to State Boards, $27,396.31, as against $20,627.36 last year, an increase of $15,572.78 on the two items, an increase of some 30 per cent.

The ratio of expense to receipts is still much too great. It will be our aim to make material decrease in this matter during the present year.

TWO MATTERS OF GREAT IMPORTANCE.

We have adopted some Centennial Aims which we believe ought to be and can be reached. We call your special attention to them, and earnestly recommend that this Convention adopt them with the full determination of reaching them.

In view of the prime importance of Evangelism in our movement; in view of the great prominence given to Evangelism during the past summer; and in view of the further fact that Evangelism is really the one great function of the AMERICAN CHRISTIAN MISSIONARY SOCIETY, and that by reason of our consolidation with the Board of Evangelism during the Convention in St. Louis, we are under obligation to employ a Superintendent of Evangelism, we have unanimously agreed to the support of a man for that office this year.

Therefore, according to the Constitution, Article 4, which directs the Executive Board to determine the number of Associate Secretaries required and to appoint their duties, we ask that two Associate Secretaries be elected and that one of them shall be Superintendent of Evangelism.

PERMANENT AND MEMORIAL FUNDS.

During the year one person completed a Named Fund by adding $2,500 to a like amount previously given. One other gave us the necessary $5,000 to constitute a new fund. Still others gave smaller amounts toward the completion of funds partly paid. The total received from this source during the year was less than $8,000. We had hoped to receive several such funds during the year, but the financial depression made it impossible for some to secure the money.

Each such fund becomes a permanent, living monument for some departed saint. We accept $5,000 as a minimum for the creation of a memorial fund. The principal is kept invested, and the interest used for the support of a missionary. Each fund bears perpetually the name of the person for whom it was created, as "The Lathrop Cooley Fund," and the worker supported by it is known as "the missionary of the Lathrop Cooley Fund."

This ought to be an attractive way for people of means to erect monuments for their beloved dead. We commend it to their earnest consideration. The funds thus far created are:

S. R. and Mary Ezzell, Lancaster, Tex.
Columbus A. Mee, Cleveland, Tenn.
Frances T. Mee, Cleveland, Tenn.
Francis M. Drake, Centerville, Ia.
Margaret Oliver, Pittsburg, Pa.
George Bates, Irvington, Neb.
Dr. H. Gerould, Cleveland, O.
Lathrop Cooley, Cleveland, O.
A Friend of Home Missions.
John Reed, Worcester, Mass.
Nellie Eckert, Rockford, Ill.
"A Sister," Pennsylvania (Name of fund to appear later.)
"A Brother," Utah. (Name of fund to appear later.)
Friends to Home Missions.
Ella Reed Robbins.
Mr. and Mrs. T. E. Taylor.
M. A. Bull, Cimarron, Kan.
Norman A. Phillips, New Castle, Pa.
Nicholas J. Wirebaugh, Prairie Depot, O.

The total in Permanent Named Memorial Funds is $94,000, but $45,000 of this is accounted for in our Annuity Funds.

A MEMORIAL FUND.

We desire to call attention to a fund of $1,000 received from the heirs of the late H. N. Hewitt, of Ohio, as a Memorial Fund for him. The heirs were aware that $5,000 is the minimum which we accept as a Permanent Named Memorial Fund, but desiring to carry out the wish of the deceased to do something more for American Missions, they sent to us $1,000, with instructions to support a missionary for a term of years, and let the fund thus created bear the name of H. N. Hewitt.

We have put a man to work in Eastern Pennsylvania, and guarantee his support from this fund for three years.

We trust that others who can give us any sum from $100 upward, but who can not give us $5,000, will take advantage of this plan and create Memorial Funds which will sustain a missionary for one or more years. We invite correspondence concerning it.

THE ANNUITY PLAN.

This plan of providing an income for oneself by interest received, and eventually aiding the work of the Lord by the principal passing into the general fund of the Society, more and more commends itself. Not one of our annuitants has been disappointed. Without exception they express themselves as being well pleased with the arrangement.

It provides a guaranteed income.

It secures you against loss of principal.

It relieves you of anxiety concerning investments.

It insures you against fire, flood, earthquake and storm.

It releases you from the burden of taxation inevitable with other investments.

It gives both you and us assurance that your money will be spent in preaching the Gospel. To make a bequest in your will carries no such assurance, since so many wills are broken.

We have received on this plan some $2,500, more than in the preceding year, the amounts and annuitants being as follows:

John H. Carrel, Hoyt, Kansas	$ 5,500
Mary P. Vaughn, Greencastle, Indiana	100
C. R. and Lana Noe, Leon, Kansas	100
Marilda F. Wirebaugh, Prairie Depot, Ohio	2,500
A Friend, Ohio	500
Rose S. Wilson, Newark, Ohio	1,000
Sanford L. and Missouri Cole, Straughn, Indiana	100
"A Brother," Utah	55
Jennie Withers Smith, Lexington, Kentucky	200
Total	$10,055

We call the attention of our Brotherhood to this plan. Fifty thousand dollars per year is the least we should expect from this source. The total amount on which we are at present paying annuities is $115,420.00.

MONEY IN OUR PERMANENT AND ANNUITY FUNDS.

Permanent Named Memorial	$ 49,000.00
Annuity (including $49,000 for Memorials)	115,420.00
Permanent Contingent Fund	13,550.00
Ministerial Relief	2,000.00
South Dakota Fund	2,800.00
Tabernacle Fund	454.15
Permanent Evangelistic Fund	899.00
Total	$184,123.15

BEQUESTS.

The amount received from this source shows a slight increase over that of last year. The amount ought to be a hundred thousand dollars annually. One

of the religious bodies in America, with a smaller membership than ours, receives above $300,000 annually from this source, and in a single bequest received more than our total income for the last 15 years. A reason for this is that each preacher of that denomination is requested to preach an annual sermon on bequests and annuities for missions, education and benevolence.

The money thus received may be put to work for the immediate support of missionaries; or it can be invested and the interest used in this good work. If preachers will preach on the subject; if they will press this matter upon the hearts of their people of wealth, large returns will be forthcoming; or if they will furnish us the necessary information, we will write or visit the parties. Thus, in a few years vast sums now lost to the work of the church will be received by the Society.

The following is our income from this source during the year just closed:

Ann Eliza Reno, Hiram, Ohio	$ 40.00
Elizabeth Howell, Birmingham, Alabama	50.00
N. Pettit, Metz, Indiana	782.17
R. A. Hopper, Louisville, Kentucky	500.00
H. E. Jackson, Watkinsville, Georgia	40.00
Harriet Alice Geiselman, Wooster, Ohio	2,228.68
W. H. Walker, Columbia, Kentucky	9.50
Henry Pressler, Lafayette, Indiana	593.75
Martha W. Thomson, Slater, Missouri	1,521.41
H. N. Hewitt, Athens, Ohio	1,000.00
Total	$6,765.51

The donors rest from their labors, but make it possible for further good works to follow them.

SUNDAY-SCHOOL OFFERINGS.

The Sunday-schools gave $11,408.89 for Home Missionary work through our Board during the year. This is a gain of $504.04 over the receipts from this source a year ago. In most of the schools contributing the regular offering day was not observed on account of the financial stringency which closed down upon the country in November, 1907. The major part of the offering therefore has been gathered during the latter six months of the year through patient and persistent correspondence. In this we have been greatly assisted by the State Corresponding Secretaries and Bible-school Superintendents.

Last year 803 schools sent offerings; this year we regret to report a loss of 17 schools. We regret to report that 409 schools which gave in 1906-'07, did not give last year. But we are glad to report that 360 schools which gave nothing a year ago sent offerings this year, and 231 schools sent increased offerings over last year.

OUR BATTLE CRY THIS YEAR IS
"EVERY SCHOOL IN LINE
FOR 1909."

Attractive and informing literature has been supplied as needed, and every assistance has been rendered schools and individuals in the hope of widening, deepening and rendering permanent and increasingly effective the Sunday-school interest in the Evangelization of America.

A Mission Study campaign has been undertaken and pressure is being brought to bear upon all superintendents and leaders in teacher training to give the study of Home Missions its proper place in the Sunday-school curriculum. The books of the Young People's Missionary Movement are being used and Sunday-school

workers are being brought into touch with this great movement which is aiding so splendidly in the education and inspiration of the young life of the church.

The superintendent of the department is also gathering statistics from the schools upon Mission Study, which he hopes will be of great service in the prosecution of future plans of work.

The campaign for Children's Day for Home Missions is now at its height. The best helps of every kind have been provided, the Bible-school Superintendents of the various states have entered with us into a vigorous campaign, and we are confident that the Centennial report will reveal such gains in the number of schools and in the amount of the offering as shall assure us that the Sunday-schools have at last caught the vision of the mission of a Christianized America to all the world.

THE YOUNG PEOPLE'S DEPARTMENT.

The work of the Young People's Department was enlarged at the beginning of the year. Heretofore, Idaho has been the special field of the Endeavorers. The states of Montana, Wyoming and the Dakotas were added, and the whole territory was designated the *Inland Empire*. Under this name our literature has been printed, and the old Idaho Day, the last Sunday in June, changed to *Inland Empire* Day.

The special Centennial Aim was placed at $10,000 for the evangelization of the *Inland Empire*. The number of societies contributing to this work was placed at 1,000. We had two years in which to reach this aim—the convention years 1907-1908, 1908-1909. We had hoped to reach more than half this aim in the convention year just closed. We have just about reached one-half the aim in the number of societies responding, but will not reach one-half the aim in money—$5,000. Our cash receipts from the Young People's Department this year were $3,456.88. However, more than half the $10,000 is pledged, and money is coming in every day. There seems to be no doubt that the Endeavorers will reach the aim in both the number of societies contributing and the total amount—$10,000.

Unusual interest has been taken in *Inland Empire* Day. Both the field and the day have become well established among our societies, some of them having contributed like churches. The largest contribution from any society is from Fort Smith, Arkansas, they having raised a sufficient amount to support a Living Link evangelist. Owing to the fact that they pay the amount monthly, they do not appear on our list this year as the largest cash contributor, and for that reason will not secure the Centennial Banner offered for the largest cash offering. After Fort Smith, largest offerings from individual societies are as follows:

New Castle, Pa., First Church (Banner Society)	$73 83
Cleveland, Ohio (Euclid Ave.)	50 09
Visalia, Calif.	41 50
Eugene, Ore.	40 00
Waco (Central)	33 40
Columbia, Mo.	28 20
Fort Smith, Ark.	25 00

Inland Empire Day is not one of our national church days. It is a day in the Endeavor Societies, and has long been established, and works in keeping with the plans of the United Society of Christian Endeavor. Therefore, any objections to days in the churches cannot hold against *Inland Empire* Day. The object is not to burden any society, but to afford the Endeavorers the opportunity, as societies, to study American Missions, and to contribute their gifts when the Lord stirs up their hearts to this great work.

The banner for the largest cash offering goes to the First Church, New Castle, Penn. The Christian Conquest Flag for the best decorations on *Inland Empire* Day goes to Williamsville, N. Y.

ROBERT MOFFETT.

Your Board feels that, in presenting the report this year, special mention should be made of the departure of Robert Moffett, rather than simply to include his name in the list of friends and supporters of this organization who have passed away during the missionary year.

For eleven years he was Corresponding Secretary of THE AMERICAN CHRISTIAN MISSIONARY SOCIETY. They were constructive years. Outliving and outgrowing the Louisville Plan, which brought such disaster to our missionary interests, was a work which in great measure may be credited to the ability and genius of Robert Moffett.

His manhood was of the kind tried in fire, and came forth pure, refined gold. He was a man of great faith—faith in God and in Jesus Christ whom he had sent; faith in the whole Bible as the Word of God; faith in the church and its ultimate victory over the world, the flesh and the evil one; faith in the Restoration Movement to which he gave himself as an advocate for a half century.

He was a great preacher, teacher and evangelist; he was a ready writer, as is attested by the files of various papers and periodicals of our brotherhood, as well as by a volume of his most characteristic sermons, "Seeking Old Paths." He was an indefatigable worker, and undertook to do twice the amount of work which should have been his allotted share. Without the aid of a stenographer, without the knowledge of operating a typewriter, without clerical help, he, for eleven years, bore the burden of the Secretaryship. During this whole period the work grew and prospered in his hands. The whole brotherhood had confidence in him. He was a man of God. We miss him, and desire to attest our high esteem of his Christian character and successful work.

STATE SOCIETIES AIDED BY THE AMERICAN CHRISTIAN MISSIONARY SOCIETY.

We make direct appropriations to every State Society excepting Ohio, Indiana, Illinois, Iowa, Missouri, Kentucky and Tennessee, and even in each of those states, have done some work during the year.

We present herewith an epitome of the reports received from the State Secretaries.

ARKANSAS.—J. J. Taylor reports that more than half of the 375 churches are non-cooperative, and that the same is true of the more than 275 preachers. The State Society raised $1,988.06 during the year, organized 12 congregations, reported 695 additions, 346 of them by baptism, employed 5 missionaries and assisted 23 congregations. A house of worship has been purchased in Arkadelphia, an important college town, and is paid for. Three evangelists are being put to work. The material development of the state is very rapid. New towns are springing up. Many calls for evangelists and missionaries are being received. Chief need, many more preachers and much more money.

CALIFORNIA, NORTHERN.—D. A. Russell reports a very hard year in money matters. Others write of salaries unpaid for five months, and tell of the secretary having offered his household goods and books in pledge for money with which to pay the missionaries. We have missionary heroes in this state. They endured and suffered, but stayed at their posts. Eighteen missionaries were at work. Churches were organized in Turlock and Fruitvale, and missions opened in Oakland (Sacramento) and Soquel; 904 additions, 391 being by baptism, were reported. Their chief need is much more money, especially for San Francisco.

CALIFORNIA, SOUTHERN.—"We expect you to tie the red ribbon on us in New Orleans," is the message from Grant K. Lewis. His report shows 12,000 members, 67 regularly organized congregations, all but 3 of which have regular preachers. Their 28 missionaries report 875 additions, 350 of them by baptism. They raised one dollar per member for Home Missions, $8,000 for Foreign Missions, and $2,000 for other religious work away from home, a total of two dollars per member for work away from home. For local purposes they raised $160,000, making an average contribution of $15.33 per member. At their convention 1,620 delegates registered, and all but 7 of the churches were represented. They organized 3 new churches and brought 3 missions to self-support. Their report includes Arizona.

CANADA: NOVA SCOTIA AND NEW BRUNSWICK.—Report from J. S. Flaglor. Twenty-seven congregations, 11 preachers, 2,200 members. They supported 2 missionaries, assisted 14 places, organized no churches, baptized 96 persons, added 25 otherwise, raised $1,000 for provincial work. Their great need is settled preachers. They are calling just now for 3 pastors and an evangelist.

ONTARIO.—Our reports for this province will be found under the individual reports of missionaries.

CANADA, WESTERN.—Reports 16 congregations, total membership and total number of preachers not given. Fourteen missionaries were employed, 20 or more places assisted, 294 persons baptized, 71 added otherwise, and about $3,000 raised for work. Mention is made elsewhere in this report of the 10 union churches which have been formed in Western Canada, a number of which are being assisted directly from the treasury of the AMERICAN CHRISTIAN MISSIONARY SOCIETY. Mention is also made elsewhere of the work of Superintendent J. A. L. Romig, Evangelist W. F. Dafoe, H. G. Bennett, John W. Marshall and A. Martin. There is no greater or more hopeful work being supported by our organization. One good house of worship, costing some $5,000 or so, built at Yellow Grass, a mission in charge of Alex. McMillan, and supported jointly by the Baptist Missionary Society of Western Canada and the AMERICAN CHRISTIAN MISSIONARY SOCIETY.

CAROLINA, NORTH.—W. G. Walker reports 126 congregations, including the colored ones; 68 preachers, 1,600 members; 6 missionaries, 7 places assisted, 100 baptisms, 76 other additions, 1 church organized, $6,637 raised for state work. Secretary Walker reports as follows: "Our possibilities are great in the extreme. The crying need is more money and more men. Ours is one of the greatest fields in the United States. It is ready for development. So many places ripe for organization of the work. Atlantic Christian College affords great possibilities in the way of men for the future, but we need both men and money now. Hope that the AMERICAN CHRISTIAN MISSIONARY SOCIETY can see its way clear to help the Old North State more largely another year."

CAROLINA, SOUTH.—John Waugh has been supported as evangelist in this state. He organized churches in Anderson and in Bishopville, and held fruitful meetings in various other places, among them Westminster, which is a very promising field. We have supported Marcellus Ely in Charleston, and have contributed money for the payment of an evangelist in different meetings. Two missionaries were supported, $610 raised for state work, 64 additions reported, 28 by baptism, 21 places assisted. The financial panic and the great floods have proved very disastrous in South Carolina during the year. Like all the other states, they are calling for more men and more money.

DAKOTA, NORTH AND SOUTH.—Our chief work in these states was carried on by Evangelist Lawrence Wright and his assistants, and is reported under "Reports of Missionaries." The secretary, J. E. Parker, reports 32 congregations and 15 preachers in the two states.

FLORIDA.—Forty-five congregations are reported, the Corresponding Secretary stating that the former reports placed the number too high. Organized three churches; two evangelists, and the secretary, who likewise does evangelistic work, were kept in the field. They raised $1,647.03 for state work. Their missionaries baptized 92 persons, added 23 otherwise, and assisted by missionary labor 25 places. The secretary reports about 15 ultra-conservative, non-co-operating organizations, having at least 400 members. Their greatest need is the awakening of our membership to the sense of their responsibility and opportunity, gathering together scattered Disciples and money with which to support preachers who desire to locate in the state. He reports an increase in the membership at Jacksonville of 30 per cent. for the year; St. Petersburg, more than 33 per cent., and Tampa, more than 27 per cent. The aim of the state organization is to build up the churches already in existence rather than increase the number of weak ones.

GEORGIA.—Bernard P. Smith, Atlanta, Ga., reports 130 congregations and 61 preachers in the state, and a membership of 13,000; $1,200 raised for state work, 213 baptisms by the state missionaries, 186 other additions, 10 missionaries employed, 18 places assisted.

IDAHO, NORTH.—(Including Asotin County, Wash.). Secretary Lister reports 23 congregations, 1,800 members, 12 preachers in the state. They raised $742.46 for state work, organized 3 churches, missionaries baptized 69 persons, and reported total additions to the number of 140. The two missionaries employed assisted 13 places. Their great need is preachers. In order to supply this need they are talking of organizing a Bible College in Moscow, at the seat of the State University.

IDAHO, SOUTH.—Fourteen congregations, having 1,500 members and 20 preachers, are reported. Great numbers of scattered Disciples are in the state, and many appeals to organize them reach the state work and THE AMERICAN CHRISTIAN MISSIONARY SOCIETY. The State Society raised $803.15, organized 3 churches, reports 118 baptisms, added 147 otherwise. Employed 4 missionaries, assisted 7 places by missionary labor, in addition to locating preachers and other such work. The aim of the state organization is to build up the congregations now in existence rather than organize new ones. Many new towns are springing up in the irrigated districts, and in practically every one a Church of Christ can be organized if men and money can be commanded.

ILLINOIS.—We make no direct appropriation to the state work. Our contributions for work in that state are to the Chicago Christian Missionary Society and to East St. Louis.

INDIANA.—We make no appropriations for state work, but return the offerings received from the churches in the Lake District, whose organization uses the same in its own territory.

IOWA.—We make no appropriation for state work, but support C. S. Osterhus, Superintendent of Scandinavian work. (See his record under Reports from Missionaries.)

KANSAS.—Formerly large appropriations were made for the work in the Sunflower State. In recent years the amount has been greatly decreased. This year the Kansas Board notified us of its willingness to assume self-support, so that the AMERICAN CHRISTIAN MISSIONARY SOCIETY may hereafter send that money to some needy place. We rejoice in the progress of this vigorous state.

KENTUCKY.—No appropriations are made to the state treasury, but a Living Link church has been supported at Crescent Hill, Louisville, through the Clifton, Louisville, Church, and special offerings have been sent to us for persons who work in the state. These are reported under Reports of Missionaries.

LOUISIANA.—Our work in this state appears under the heal of Reports of Missionaries.

MARYLAND, DELAWARE AND DISTRICT OF COLUMBIA.—This organization reports through Jas. E. Stuart, 35 organizations, 31 preachers, 3,550 members, $1,100.80 raised for state work, 116 baptisms by the 10 missionaries, 59 other additions, 12 places assisted. There are important cities in which we have no organization, and there is abundant room for new organizations in Washington and Baltimore.

MICHIGAN.—One hundred congregations and 8,500 members ministered to by 60 preachers, are reported by F. P. Arthur; $4,500 were raised for state work, 1 church organized in the city of Muskegon, and a house of worship erected for it. Eight missionaries were employed, who baptized 72 persons, added 23 otherwise, and assisted 8 places by missionary labor. Many of the most important towns and cities in the state are without organizations. The field is a fruitful one.

MINNESOTA.—The report gives 47 congregations, with 3,400 members, ministered to by 21 preachers. For state work they raised $937.04, organized 1 congregation, 64 baptized by the missionaries, 44 added otherwise, employed 4 missionaries, assisted 9 places. They report their chief need as being able, educated, consecrated men, who will stay with their charges. They consider the aid received from THE AMERICAN CHRISTIAN MISSIONARY SOCIETY wholly inadequate with which to undertake their work. They call loudly for increased appropriations from our treasury.

MISSISSIPPI.—The Corresponding Secretary, W. W. Phares, was compelled to resign because of ill health. J. E. Spiegel, who is acting as Secretary, reports 151 congregations, with 8,277 members, 22 white and 23 negro ministers. They raised $2,043.72 for Home Missions, organized 4 churches, employed 5 missionaries, who reported 177 baptisms, 119 other additions. Brother Spiegel says that this is an incomplete report. We wish to correct an error in last year's report regarding Water Valley. No aid was extended to that point last year, although the report gave it as a place which had been assisted.

MISSOURI.—Our only contributions for work in that state is to the St. Louis Christian Missionary Society, and to individuals for evangelistic meetings.

ST. LOUIS CITY MISSION. Report of City Evangelist for year ending September 1, 1908. Points of interest summarizing report.

City mission work is pre-eminently, emphatically, foundation work. The past year, (my second in the work), has been almost entirely the laying of new foundations and trying to build thereon.

1. TWO NEW CAUSES PLANTED.

(*a*) *Clifton Heights.*—35 members; 90 in Sunday-school enrollment; Ladies' "Christian Workers" Band; Christian Endeavor; Teacher Training Class, etc.; frame chapel erected on lot loaned for five years; (chapel can be removed to another lot when desirable); already they are planning a small "annex" for Boys' Club. etc. This church is not receiving any financial aid (except $300 from our City Mission "Lots and Buildings Fund" towards the chapel), but your evangelist's services were given from the inaugurating of the work until locating of pastor. Chapel valued at $800. E. F. Harris, National Superintendent of Society of Applied Christianity, pastor since June.

(*b*) *Strodtman Heights.*—Started a year ago independently, but almost immediately came under the care of your evangelist. 35 members; 55 in Sunday-school enrollment; Christian Endeavor; Week-night Bible Class, etc. Temporary building, suitable for several years' use, erected on lot donated by Bro. R. H. Stockton. L. P. Leathers, elder and all-round worker. P. W. Harsh now preaching for them (services gratuitous). Temporary building valued at about $300.

2. OTHER POINTS AIDED.

(*a*) *Overland Park.*—Conditions necessitate use of Union Chapel at present 27 members; Sunday-school union at present; building fund started. In care of evangelist.

(*c*) *Carondelet.*—During five months of the year I took care of this work in school; National C. W. B. M. from now makes an appropriation towards preacher's salary. A worthy people. Need a permanent place of worship. Your evangelist has rendered them considerable service. Mynor Mace, now located with this church.

(*c*) *Carondelet.*—During five months of the year I took care of this work in addition to other duties, and have since looked after its Tabernacle and Lot Funds. 110 members; 140 Sunday-school enrollment; Ladies' Aid Society; Teacher Training Class, etc. Meeting at this time in Tabernacle on new lot; finishing up its $500 towards new lot, (our City Mission Board furnishing the balance, about $700). Best site in South St. Louis; congregation earnest, good workers, eager to start on the building enterprise, but exceedingly limited in means. Receive no financial aid (except on lot purchase), except such services as rendered by evangelist. John M. Hoffman, pastor (also in business).

SUMMARY.—Two preachers located, E. F. Harris, at Clifton Heights, and John M. Hoffmann at Carondelet. Several excellent voluntary helpers enlisted, amongst them L. P. Leathers and P. W. Harsh, who generously give of their time, substance and labor continually. These are "beyond price," and we are deeply indebted to them. Two lots purchased, or final payments made. Strodtman Heights, donated by Bro. Stockton, $325; Dover place (Carondelet), about $1,200. Three buildings erected, frame chapel at Clifton Heights, about $800; Tabernacle at Strodtman Heights, suitable for a few years' use, about $300; Tabernacle at Carondelet, for one or two years' use, $300. Money raised on "Lots and Buildings," about $2,225. Planning for two or three fall meetings. I have personally written nearly 900 letters and 950 postals. Many members received "by statement" are really additions to our city numbers, as they had allowed their membership to lapse and were not counted anywhere. One sister, converted at Strodtman Heights, almost immediately removed to Overland Park. There she and her husband at once offered a piece of land for the erection of a chapel. Though we could not utilize this offer, it showed some of the "immediate fruits" of City Missions. Sentiment for "City Church Extension" is growing wider, deeper, stronger. But alas! the work and its results are all too slow and meager, compared with the immense need, the urgent opportunities and the INCOMPARABLE CAUSE.

G. E. IRELAND.

September 7, 1908.

NEBRASKA.—W. A. Baldwin reports 200 congregations, 21,000 members ministered to by 145 preachers. They employed 18 missionaries, assisted 24 places, organized 3 churches, baptized 352 persons, added 355 otherwise, and raised $3,893.71 for state missions.

NEW ENGLAND.—Twenty-one organizations are reported by Harry Minnick. No new organizations have been organized. Total raised for the support of missionaries $537.72. The New England churches also raised more than $2,000 and gave it to the missions for the erection or the improvement of buildings. They reported 30 baptisms, 18 other additions. The New England towns and cities in which we have not made a start are numbered by the hundreds. There are cities of hundreds of thousands of inhabitants in which we have no organization, and scores of them having from ten to seventy-five thousand. The total income of THE AMERICAN CHRISTIAN MISSIONARY SOCIETY could be wisely expended in New England.

NEW MEXICO.—This organization was formed in November, 1907, and reports 16 congregations with 1,200 members in the state, 19 ministers, 4 churches organized during the year, 22 persons baptized by the missionaries, and 178 other persons added to the churches by their efforts. Seven missionaries were employed, and 9 places assisted. They raised $374.88, and have good pledges for enough to make it $600 for the first ten months of their existence. The Secretary, F. F. Grim, reports that the denominations are putting dollars into New Mexico where we are putting in dimes, and that $3,000 is the least that we should send to them this year.

NEW YORK.—There are 47 congregations, 39 ministers, 10,599 members, reported by D. C. Tremaine. The state has eight and one-half millions of inhabitants, and we number but one member to every 800 inhabitants. No churches were organized. Twelve places were assisted, 11 missionaries employed who baptized 166 persons, and added 104 otherwise. They raised for state work $2,295.63. Probably no missionary organization among us did better, considering our strength. The state society has undertaken the joint direction and ownership of Keuka College, formerly exclusively a free Baptist college. Elsewhere in this report mention is made of institutional work, work among the foreigners in the cities, and work with the immigrants upon their arrival at Ellis Island. This is to be added to the work that the AMERICAN CHRISTIAN MISSIONARY SOCIETY is doing in the state of New York.

OHIO.—No appropriations are made to the Ohio State Treasury. We support one missionary in the state. His report will be found listed with that of our missionaries.

OKLAHOMA, EAST DISTRICT.—S. R. Hawkins reports 100 congregations, 38 preachers, 6,000 members. They supported 27 missionaries, assisted 38 places, organized 7 churches, baptized 467 persons, added 283 otherwise, raised $1,629.47 for state work. The marvelous material development in Eastern Oklahoma, formerly Indian Territory, is well known. One hundred new congregations could be formed this year if we had the money and could command the services of the ministers.

OKLAHOMA, WEST DISTRICT.—Reports 22 churches organized, 85 assisted, 30 church buildings erected, 41 meetings held, 808 baptisms, 852 other additions. The amount raised for state work is not reported. The work done in Oklahoma, in both districts, gladdens our hearts. There are nearly 500 congregations in the state, more than 30,000 members, and all has been put there within a few years. The American Society can point to no more conspicuous success in her history than that in Oklahoma.

OREGON.—The Secretary, C. F. Swander, reports 196 congregations, 116 preachers, 12,011 members, 11 missionaries employed, 26 places assisted, 372 baptisms, 365 other additions, 9 churches organized, $3,096.74 raised for state work, which does not include an appropriation made by the AMERICAN CHRISTIAN MISSIONARY SOCIETY for work in the city of Portland.

PENNSYLVANIA, EAST.—C. A. Brady reports 56 churches, 42 preachers, 7,600 members, $535.00 raised for state work. Our society reports other work in Pennsylvania in Philadelphia, Harrisburg, Wilkesbarre, etc., under the heading, Reports from Missionaries. Vigorous work has been carried on in Harrisburg, Wilkesbarre, Reading, Philadelphia, Westmoor, Berwick, and other places. There are more than 100 towns of from 1,000 to more than 100,000 population in which we have no organization. These are calling loudly for aid.

PENNSYLVANIA, WEST.—One hundred and twenty-seven congregations, 66 preachers, 19,820 members are reported by J. A. Joyce; they raised $3,109 for state work, organized no churches, baptized 391 persons, added 115 otherwise, and employed 19 missionaries, assisted 19 places.

TENNESSEE.—Our only work in this state was to pay for two evangelistic meetings which are reported elsewhere.

TEXAS.—J. C. Mason reports 800 congregations, 105,000 members, 25 per cent. of whom are of our conservative, non-co-operative brethren. There are 600 preachers 200 of whom belong to the class above mentioned. This organization did a mighty work, having raised $34,856, organized 29 churches, baptized 977 persons, added 910 by letter and statement, 133 from the denominations, total 2,020. They employed 45 missionaries, and visited or assisted 524 places.

We insert a summary supplied by the Corresponding Secretary:

Personal Report of J. C. Mason, For Year Ending May 31, 1908.—Days, 365; sermons, 125; confessions, 11; other additions, 24; cash in the field for state missions, $2,331.80; cash in field and office for state missions, $6,468.62; cash, all purposes, $7,842.57; pledges, $8,895.00; places visited, 51; churches organized, 2; Sunday-schools organized, 2; church houses dedicated, 2; houses built, 2; subscriptions to Christian Courier, 25; subscriptions to Texas Missions, 201.

Helpers in the Harvest.—Number of men, 45; number of days, 6,906; number of sermons, 3,622; by baptism, 977; by statement and letter, 910; otherwise, 133; net gain, 1,103; total additions, 2,124; cash raised in field, $18,086.55; cash raised for all purposes $34,856.00; pledges taken, $35,543.00; churches aided, 524; churches reorganized, 29; churches dedicated, 8; houses built, 7; bible-schools organized, 22; subscriptions to Christian Courier, 26; subscriptions to Texas Missions, 213.

VIRGINIA.—Secretary H. C. Combs reports 285 congregations, 118 preachers, 26,500 members. They employed 12 missionaries, assisted 57 places, organized 2 churches, baptized 276 persons, and added 122 otherwise. They raised $6,955.84 for state work. Our society supports a Living Link missionary in the state, whose report appears elsewhere.

WASHINGTON, EAST.—Secretary J. A. Pine reports 52 congregations, 38 preachers in active service, 6,500 members, 2 missionaries empoyed, 10 places assisted, 3 churches organized by state workers, 55 additions, $1,093.27 raised for state work, 3 houses of worship built under the auspices of the State Board. They report having knowledge of from 15 to 50 disciples in each of a number of towns in their section of the state. A small amount of money will result in an organization in each one. They report 33 1-3 per cent. gain to their membership during the past year. They have employed 4 additional missionaries for the year, although they are $400 in debt, and appeal to the AMERICAN CHRISTIAN MISSIONARY SOCIETY for $1,000 additional appropriation. They report a great awakening in religion, temperance and prohibition work.

WASHINGTON, WESTERN.—The state organization has been without a secretary during the year, excepting such services as Brother W. A. Moore could render in addition to his church work. We have assisted the State Board, and have made an appropriation for Chehalis. We have undertaken to support the secretary who has just been installed, Brother J. W. Baker, recently of Missouri. New towns are springing up everywhere in the state and are calling loudly for increased appropriations in this organization.

WEST VIRGINIA.—Secretary J. W. Yoho reports 60 preachers in the state, not including preachers among the students in Bethany College, 200 congregations, 17,000 members, 6 missionaries employed, 80 places assisted, 288 baptisms, 406 other additions, 12 churches organized, $1,786.29 raised for state work. The financial stringency in the coal regions has affected very adversely the work in the state during the year. Still they have reported the best year in their history. They call for greatly increased appropriations.

WISCONSIN.—Number of congregations, 26; preachers, 8; 2,100 members. They employed 7 missionaries, assisted 8 places, organized 1 church, reported 37 additions, raised $648.63 for state work. Some of the missions have a smaller membership than a year ago, they having suffered by removals to other places. The State Society has paid its old debts, 2 old house of worship were sold, and the proceeds, $3,008, turned into the state treasury. We will support a Living Link missionary in Milwaukee as soon as a capable man can be secured.

REPORT OF J. N. HARMAN.

The "Coal Fields" of Southern West Virginia and Southwest Virginia were assigned to me as special "Coal Field Evangelist."

In this capacity I have preached at the following places in West Virginia: Bluefield, Bramwell, Godfrey, Vivian, Welch, Berwind, Canebrake, Iaeger, Williamson and Matewan. Have organized churches at Berwind and Matewan.

On the Virginia side of the state line I have preached at Tazewell, Graham, Richlands, Town Hill, Raven, Baptist Valley and St. Paul. I organized a congregation at Raven, and preached the sermon at the dedication of the new Union Church at that place.

In August I held a fifteen days' meeting with the Raven Church. There were eighteen baptisms and twenty-six added otherwise. Thirty-four of these took membership with our congregation. I also baptized three persons in the Tazewell Church during August.

As before stated, I preached during this year up to April 1st, twenty-eight sermons and baptized six persons. Since April 1st to this time I have preached seventy-seven sermons and have held meetings by myself and in connection with others above mentioned, at which twenty-one were baptized, making a total of 105 sermons and twenty-seven baptisms during the year.

Perhaps I ought not close this report without making a further note concerning the organization of the three churches mentioned. The church at Berwind was organized with fourteen members, nearly half of whom were Baptists. So this is a union church composed of Baptists and Disciples, organized for work at Berwind. Three or four have been added to the body since its organization. The pastor is a Baptist minister of excellent character and is greatly beloved by all. We have secured a comfortable building there in which to hold our meetings. I preach there on the first Sundays, and Brother Bayliss, the pastor, on third Sundays. I expect to hold a protracted meeting there, beginning the first Sunday in October. At Matewan I found a union house of worship, which had not been used for three years. It is well located in the best part of town. Our brethren "got a move on them"; they repainted, recovered, reseated, and repaired the house generally till it has a real homelike appearance. We organized with twenty-three members in the church and fifty in the Sunday-school. I hear that both have grown in numbers and enthusiasm since my last visit some two months ago.

On June 1st we organized the church at Raven with sixty-one members, who began housekeeping in their new house of worship. With the thirty-four added during the last meeting we now have a membership of ninety-five. They also have good prayer meeting and a fine Union Sunday-school.

These three churches are all at and near coal operations. As all the houses and land at Berwind belong to the coal company, this is likely to continue indefinitely as a mission point. At Matewan and at Raven a goodly number of our people own their homes. I hope for a growing, permanent, self-supporting church at each of these places.

Respectfully submitted,

J. N. HARMAN.

THE UNION MOVEMENT IN WESTERN CANADA.

A representative of the Baptist Missionary Society of Western Canada, Dr. W. T. Stackhouse, of Winnipeg, was present in our convention last year and spoke on Christian Union, discussing especially the union between our people and the Baptists in "the last great West," that is, Western Canada. He emphasized the reasons why we ought to be one in that vast new empire so rapidly building. He and his message were received with enthusiasm by our people.

Following the suggestion made by him and by our own workers who live in that territory and others who occasionally visit it, we undertook the establishment of union churches in places where the Baptists and our people were both represented. In several of these efforts we were successful; union churches were organized, ministers were installed, and the work has gone speedily forward.

These union churches, where help was needed for the support of a minister, have been supported jointly by THE AMERICAN CHRISTIAN MISSIONARY SOCIETY and the Baptist Missionary Society of Western Canada. The ministers have come from both bodies, and their work has met the general acceptance of the people to whom they have ministered.

The most conspicuous example of union in Western Canada was that in Portage la Prairie. The churches which united were both self-supporting and strong. It was found, after several months of working together, that the union was not progressing as smoothly as had been hoped. After a long, full discussion, the Baptist portion of the union congregation unanimously voted to discontinue the union, while the Disciples of Christ unanimously voted to continue it. The union was dissolved, and each body once again took up work in its own place of worship. The dissolution of this union has been a hard blow to the whole movement in Western Canada. Much patience and tact, much prayer and forbearance, much exercise of Christian grace is necessary at the present time to maintain the union in places where it has already been brought about.

It is the earnest desire of the Baptist Missionary Society and of this Board that the union shall be maintained, and that just as rapidly as the people can be made ready for it, new union churches shall be established. We are hopeful, in spite of the serious setback, that the union between these two peoples, from ocean to ocean in Canada, will be brought about within the next few years.

NEW WORK UNDERTAKEN.

For a long time this Board has had under advisement the matter of beginning work on a respectable scale among the vast foreign populations of our cities. We at length have decided to undertake an institutional work among them in New York City. We have especially in mind the almost interminable East Side, with its babble of tongues, its multitude of races and nationalities, its religions of all the divers sects of Christianity, Judaism, Mohammedism, Confucianism, and other old world religions and irreligions. We have also looked across the East River to a similar great population in Brooklyn, the two together numbering fully two millions of persons.

It has been decided to have Brother Jos. Keevil, who for some years has been minister of the Humboldt Street Christian Church, Greenpoint, Brooklyn, which was formerly a mission of THE AMERICAN CHRISTIAN MISSIONARY SOCIETY, to be Superintendent of this work, using, for the time being, the grounds and buildings of the Humboldt Street Church.

It is hoped that the work will thrive, and that the large buildings and equipments which will be demanded can be supplied as they are needed.

The work will be institutional in form and as ability to conduct it is acquired, and the necessary money provided, every tested and valuable form of institutional work will be added. As experience is acquired by conducting the work at this point, we hope to reach out and establish similar works here and there among the foreign-born millions in that great city, and extend the work to other great cities of the Atlantic Seaboard and the Central West.

THE RELIGIOUS CARE OF THE IMMIGRANT.

Practically all the great religious bodies of America but our own have at least entered upon the work of caring for the immigrants at the time of their arrival at Ellis Island, New York City; likewise Boston, Philadelphia, Baltimore, New Orleans and Galveston.

Knowing that the aliens coming here are strangers in our land—that the major part of them do not comprehend our language, have no knowledge of our history, our institutions, our ideals, our character, and that but few have any adequate knowledge of religious conditions in America, it is not to be wondered that more than 70 per cent. of them, Protestants and Catholics alike, never ally themselves with any church or religious institution of our country. They settle in great masses in our cities, and, if not forsaken of God, they at least have been forsaken of man, so that almost every one of them might truthfully deliver the awful indictment, "No man cared for my soul."

Not being identified with the church, they naturally do not send their children there. The children, therefore, grow up, lacking even the religious training that was given their parents in foreign lands, and the children of the first generation born in America, or coming here in early childhood, furnish more than 50 per cent. of the vicious and criminal classes in the great cities. They become hoboes, hold-up men and yeggmen; they are the pickpockets, sneak thieves and robbers; they are the keepers of dives, fences and joints; they are gamblers, bartenders and confidence men, and, most unfortunately of all, are generally the ward politicians and political bosses of their neighborhoods.

To reclaim this loss is apparently impossible. The great duty of the church is to prevent it in the future. It is thought that the proper way to proceed is to meet the immigrant at Ellis Island and at the various ports of entry, address him in his own tongue, and welcome him to our shores, not simply in the name of free America, but, most of all, in the name of Jesus Christ; advise him as to where to settle, what form of employment to seek; advise him how to keep out of the hands of designing men; advise him about his religious needs; point him to the church; explain its separation from the state in America; explain the absolute freedom of all our religious institutions; give him the Bible and tracts in his own vernacular; follow him up wherever he settles, and give him the advice, encouragement and aid which are necessary to make a desirable citizen of him, and which will enable him to bring up his children in the way they should go.

We expect to begin this work at Ellis Island in a small and humble way, and have it under the general supervision of Brother Jos. Keevil, who is mentioned elsewhere in this report. We hope that the work will prosper in his hands, so that during the year it may be considerably enlarged, and that it will continue to grow as our funds will permit, and as we can find suitable men with whom to prosecute this highly important work.

THE WORK IN THE CITIES.

The rate of growth of our cities continues to be without parallel in the history of the world. It is almost impossible for educational and religious institutions to

keep pace with the material growth of the city. Villages and towns are overchurched; all considerable cities are underchurched—the great cities very sadly so—and the number of persons for each organized church in the cities increase annually. The church is challenged, as never in her history, to "enter in through the gates into the city." These "storm centers of Christianity" constitute the chief challenge of the church to-day. The bitter cry of her poor, the awful vice, the unspeakable degradation, the general godlessness of the slums are the most alarming symptoms in American civilization. Then the vast tenement districts are being deserted by the church, which follows the movement of its membership to the desirable suburban places, and even the suburbs are underchurched. Every social and political novelty and theory has been tried, but until the Tree of Life, in whose leaves are healing, grows sturdy and broad in every city community, the problems are unsolved, and the people without hope and without God in the world.

It has been the policy of this Board in the past year to answer favorably the calls from the cities, even at the expense of denying aid to smaller places. This must continue to be our policy. The Disciples of Christ have scarcely more than ten per cent of all their membership in the great cities. We must become strong in the cities, or eventually become a disappearing brotherhood. We therefore propose to foster city missions just as rapidly as we can command the money and the services of qualified men.

REPORT OF THE STANDING COMMITTEE ON EVANGELISM.

Our report this year is much more nearly a formality than in the preceding years of our history. During the greater part of the year the work has been without a head, the Superintendent having laid down its duties at the first of the year. He found it impossible for him to carry the double load of Superintendent of Evangelism and Corresponding Secretary of THE AMERICAN CHRISTIAN MISSIONARY SOCIETY; and, having laid down the burden, no other has been found to take it up. Nevertheless your committee has something to report.

In the first place, three Schools of Evangelism and two Evangelistic Institutes were held under our auspices during the year; the three former at colleges and the two latter in places which brought together a large number of our preachers and others interested in Evangelism.

Our colleges view the Schools of Evangelism in such a favorable light as, with but one exception, to send us invitations to conduct such schools at some time during the college year which closed last June.

The schools which were held were splendidly attended and enthusiastically endorsed by the faculties of the colleges, the student body in attendance and preachers and other workers from the surrounding country. A School of Evangelism ought to be a permanent feature of the curriculum of every college which trains men for the ministry.

A Department of Evangelism was conducted for several months in THE AMERICAN HOME MISSIONARY. In this the best books on Evangelism were reviewed, methods of Evangelism discussed, and everything possible done to make it valuable alike to preachers and evangelists.

Our line of Evangelistic Tracts was largely increased during the year, the most valuable addition being "Fundamental Lessons in the Plan of Salvation," by Chas. S. Medbury. There has been a large demand for this tract, which promises to be one of the most popular that ever was issued. About 125,000 tracts were sent out by the committee during the year.

The Bureau of Evangelism has necessarily been less prominent than in former years. However, in no less than two hundred instances we succeeded in bringing

together the inquiring church and evangelist. Sometimes it was the men in regular evangelistic work, but more frequently we succeeded in directing the attention of the church to an available preacher with evangelistic gifts.

About $3,500 were expended in the support of evangelistic meetings during the year. We supported four evangelists in Western Canada; the major part of their work was done either in Baptist churches or in the union churches which have been formed in the last eighteen months. We made it possible for evangelists to go to a dozen or more different places and hold meetings, when, without our financial support, it would have been impossible. We have supported an evangelist in the Dakotas and several in the Southern and Southwestern states.

In presenting this nominal report, your committee wishes to emphasize its firm belief that a Superintendent of Evangelism is not only highly desirable, but is absolutely necessary to the ongoing of this work. We are glad to report that the Board of THE AMERICAN CHRISTIAN MISSIONARY SOCIETY agrees to select a suitable man at the earliest possible moment, and sustain him as Superintendent. If this is done, it is the confident expectation of your committee that at our Centennial Celebration in Pittsburg a report wholly worthy of this great work may be presented.

We trust that the work of Evangelism may be emphasized and may be in favor with our people throughout the year, and that whenever it seems desirable, they will turn to this committee for such assistance as we are able to render.

H. O. BREEDEN, *Chairman.*

THE CENTENNIAL.

We are now in our Centennial year. For some years past the several national missionary societies of our brotherhood have set before them certain Centennial Aims. These are not to be confused with the General Centennial Aims, as set forth by our general Centennial Secretary, W. R. Warren. While in some instances they embrace the same things, in many other instances they are different, because each society attempts to do certain things in its own line.

In order to set something definite and practical before us as a Centennial Aim, we recommend that we direct all our efforts toward increasing our annual receipts to $200,000 in our Centennial Year.

To this end we recommend that we make an effort to secure $85,000 from the Churches as Churches; $20,000 from the Sunday Schools; $6,000 from the Endeavor Societies; $2,500 from Ladies' Aid Societies; $26,500 from Annuities; $60,000 from Annual Memberships of $10 each, Life Memberships of $100 each, and Life Directorships of $500 each in our Centennial Convention at Pittsburg, recognizing these memberships by issuing to the donors appropriate Memorial Certificates.

The work of realizing these aims has been organized and pushed with energy the past year. We are well on the way to the realization of some of them. We are now on the last year of the Centennial period. Let each Disciple in the brotherhood feel a special responsibility in helping to realize these aims. Let the pulpits ring with an optimistic note. *We must succeed.* The Lord will make us strong in the accomplishment of these aims.

REPORT OF C. S. OSTERHUS. SUPERINTENDENT OF DANO-NORWEGIAN WORK.

During the past twelve months I have labored earnestly and diligently among the Dano-Norwegians of America. My work has been mainly of three kinds: correspondence; editorial and publishing; conventional or conference.

The following is a summary of the work which has been done during the year, together with estimates based on a general knowledge of the field:

1. Days at work, 365.

2. Sermons preached or lectures delivered, about 150.

3. Helped effect a good many baptisms during the year; received directly and personally "the good confession" before baptism of 10 candidates at last convention. As no definite statistics of the baptisms have been gathered from this whole field during the year, I guess it to be 200, or 300, or even more.

4. Accessions in this manner to the Church of Christ, 200 or 300.

5. There are a least 200 churches or unorganized stations in this field; some are organized, others are partially organized, and still others not at all organized, but are regular stations where a group of "Christians only" exists.

6. There are perhaps 100 Sunday-schools with at least 3,000 pupils.

7. There are perhaps 50 or more houses of worship.

8. And perhaps a total number of members who are "Christians only" of at least 10,000 or 15,000.

9. About 3,000 or 4,000 gospel letters handled.

10. Over 200,000 large pages, or an aggregate of at least 400,000,000 words of pure gospel literature sent out through "Bible-Vennon."

11. A good beginning of 10 splendid tracts published; several thousand are being printed of each. Some of them large eight-page, on the Restoration of New Testament Christianity, etc.

12. The sixth, seventh and eighth general unity conventions and conferences held.

13. A good many converted and baptized throughout the field by our faithful fellow-workers and myself, the total number not yet known.

14. More order in the churches already planned and carried out.

15. New places opened up by our preachers with good future prospects.

16. Confidence in the work strengthened and greatly increased in many places, and prejudice destroyed with our many former opposers. These, with many other things, constitute a part of the success of the past missionary year.

NEEDS.

1. We need steady support, so that we can go right on with the work so well under way.

2. We also need the prayers and the sympathy of the whole brotherhood that we may be kept strong and healthy in spirit, soul and body during these exhausting labors early and late; and that we may, by perseverence and endurance, soon reach the point when we can publish "Bible-Vennen" as a weekly paper, in order that its blessed influence may be stronger and more telling in its effects.

3. We need at least a small tract fund to enable us to scatter freely among our people small leaflets and tracts bearing upon the plea.

4. We need, and could make blessed use of, and ought to have a tent fund of at least $1,000, as a small beginning by which to stand by a few of those faithful preachers we see in this field, who are true to the plea, and who could help wonderfully to organize these "Christians only" into working, thrifty churches.

I respectfully submit these few imperfect statements of our work, and beg to subscribe myself, with gratefulness to you for all your love, kindness and help, and remain Most faithfully your brother,

C. S. OSTERHUS.

ANNUAL REPORT OF JOHN A. STEVENS AND WIFE, GENERAL EVANGELISTS, FOR THE YEAR ENDING SEPT. 15, 1908.

Sermons preached	210
Baptisms	127

Bad health has hindered my work very much since Christmas, but I am thankful to my Father to even make this small report. Most likely I will have to ask the beloved AMERICAN CHRISTIAN MISSIONARY SOCIETY to drop my name from their list for a few months after Christmas, if not sooner, as I need to go on to the "dry docks" for general repairs.

The fields are bleached with whiteness, and the golden grain is tangled and falling down to waste, and to speak of rest at this time seems out of place, but I must be repaired or my work is done.

SULPHUR SPRINGS, TEXAS. JOHN A. STEVENS AND WIFE.

Attained Immortal Life

Of those whose faces were familiar in our gatherings, whose voices were regularly heard in our councils, whose pens made them known and respected throughout our ranks, and who gave without stint to forward the work of the Lord through our organizations, many awoke, during the year just closed, out of this mortal life, into the life immortal.

They were brave men and women, who sang while they toiled, who rejoiced while they suffered, and who, bearing the burdens of our societies, repined not, but rather were glad to be counted worthy to do and endure for His name's sake. We miss them from the churches and conventions, but their works live after them and call to us to be imitators of those who, through faith and patience, inherit the promises.

FINALLY.

In view of the fact that many of the State Societies reported serious losses in receipts for the year, and that some of the national organizations suffered in the same manner, we congratulate the brotherhood on the loyal support given the parent organization which makes it possible to report a trifling gain in receipts despite almost desperate industrial and financial conditions throughout the year.

You will find that our appropriations made for actual Missionary and Evangelistic work for the year are the greatest in our history. Even now, however, we are able to answer favorably only one deserving appeal in ten. Our receipts must be greatly enlarged before we can undertake in any large way the great problems in American evangelization. The total undertaking is vast—almost beyond human comprehension, and only the grace of God added to our poor human endeavor, makes possible any advance of the Kingdom of Light.

With an increasing sense of the greatness of our task and therefore of our own responsibility; with grief over our human weaknesses and failures; gratitude for prayers, encouragement and assistance in administering this great and thriving work, and with joy for the measure of success won in the past year,

We are, your servants,

W. R. Warren presented letters and a telegram from Pittsburg assuring the Convention of a hearty welcome to their city for our Centennial Convention. The President was authorized to make suitable reply to these communications.

PITTSBURG, PA., Oct. 12, 1908.

W. R. Warren, St. Charles Hotel, New Orleans, La., 12:08 *p. m.*

Resolution just passed Pittsburg Ministerial Union. Welcome the Centennial Host.

GEO. W. KNEPPER, *Secretary*.
835 Rebecca St., Wilkinsburg Station, Pittsburg.

Endorsing invitation of Chamber of Commerce.

PITTSBURG, June 18, 1908.

To the International Convention of Disciples of Christ, Assembled in New Orleans, October 9 to 14, 1908.

MR. R. A. LONG, *President.*

Dear Sir:—On behalf of the city of Pittsburg, it affords me pleasure to assure you of a most hearty welcome when you assemble for your Centennial Convention, October 11 to 17, 1909.

It has been gratifying to note that, since you were here in 1891, your membership has been more than doubled and your missionary offering quadrupled; and that while one church, with pews for less than a thousand, accommodated that gathering, a group of five great halls, with an aggregate capacity of over twenty thousand, is being prepared for this.

In the meanwhile Pittsburg has also been growing. Allegheny, where your Convention was then held, is now North Side, Pittsburg.

Splendid parks, residence sections, manufacturing plants and suburbs appear

where you saw only farms and woodland. Institutions of education, art and religion show even more marked advancement. We believe that it is not only a larger and greater, but also a finer and better Pittsburg that opens the doors of her hospitality to you. I am

Very respectfully yours, GEORGE W. GUTHRIE, *Mayor.*

PITTSBURG, September 26, 1908.

MR. W. R. WARREN, 203 Bissell Block, Pittsburg, Pa.

Dear Sir:—On behalf of the Chamber of Commerce of Pittsburg, we extend to the Disciples of Christ a most cordial invitation to hold the next Annual International Convention of that body in the City of Pittsburg, where, we assure you, you will be hospitably received.

Yours very truly, LOGAN MCKEE, *Secretary.*

In response to the recommendation of Board of Managers, it was moved and carried that the chair appoint a committee of five to be appointed from this body to confer with a like committee from the Foreign Society with reference to the erection of a suitable building for these Societies. The following brethren were appointed: Benj. Sebastian, S. M. Cooper, A. M. Harvuot, H. T. Loomis, all of Cincinnati, Ohio, and M. T. Reeves, Columbus, Ind.

The Prayer Meeting Committee reported as follows:

REPORT OF COMMITTEE ON PRAYER-MEETING TOPICS.

BALTIMORE, October 6, 1908.

To W. J. Wright, Secretary of the A. C. M. S., New Orleans, La.:

Your Committee on the Prayer-meeting Topics respectfully submit the following list for 1909. There are not wanting evidences that the former topics have been of service to the churches and pastors, and it is hoped those presented here may prove as helpful as their predecessors. It is also evident that they have grown in favor year by year, and that they have helped to give us a better type of prayer-meeting.

In this connection we would call attention to the fine, suggestive, spiritual discussion of them in our papers from week to week, and believe a faithful reading of these studies will be both profitable and delightful experiences of discipleship.

Respectfully,

B. A. ABBOTT, *Chairman,*

REPORT OF COMMITTEE ON COURTESIES.

Your Committee on Courtesies submits the following report:

We are most appreciative of the many courtesies which have been extended to us and which have in every way contributed both to the pleasure of our stay in New Orleans and to the success of our Convention.

Therefore, we desire to express our sincere vote of thanks—

To Brother W. M. Taylor and his faithful co-workers for the most careful and thorough preparation which they have made for this Convention and for our comfort while here.

To the many churches of the city which have opened wide their doors and tendered their pulpits to our ministers with a cordiality which we have never seen surpassed; and especially do we express our thanks to the First Methodist Church which has contributed so largely to the success of our Convention by granting us

a free use of its building for many of our sessions, and to the Ames Memorial M. E. Church for the use of its house by Missionary and Bible Study Classes.

To the various railway companies for the exceptionally low rates granted and the excellent service rendered in our transportation.

1. To the great city of New Orleans for her kind hospitality and the courteous treatment which we have received on every hand; especially to the city authorities for their courteous recognition; to the Progressive Union (a business organization of the city) for its generous donation of $1,000 toward the support of our Convention; to the Protestant Pastors' Association for their fraternal recognition of our presence.

To the sweet singers who, by their generous services, have contributed so much to the enjoyment and success of our Convention.

To the city press for the generous space accorded and the accurate reports given of the proceedings of our Convention. Respectfully submitted,

Your Committee:
C. W. B. M.—Mrs. M. E. Harlan,
Mrs. Ida Harrison,
Sanders, Houston, Tex.
F. C. M. S.—J. D. Hamaker,
Fowlders, Wellington, Kan.
A. C. M. S.—Louis D. Riddell.

A. L. Orcutt introduced the following resolution, which was unanimously adopted:

Resolved, That it is the sense of this Convention that through The American Christian Missionary Society and the Board of Church Extension, we give to the Church of Christ in the city of New Orleans such assistance as will make it possible for this church to sustain herself in the position and influence this Convention has given her, and these faithful, self-sacrificing brethren to do the work to which God has called them in this great Southland city.

Finis Idleman, of Des Moines, presented the report of the Committee on Recommendations of the Board, which was adopted.

REPORT OF COMMITTEE ON RECOMMENDATIONS.

The Committee on Recommendations beg leave to report the following:

First. That we commend the urgency of our Secretaries in the realization of the goals set for our Centennial year.

And we recommend a renewal of zeal by every pastor, elder and deacon in their divinely laden capacity of leadership to make these aims actualities.

Second. Believing that the greatest and latest forward movement among us is the Bible-school work, and in order both to articulate our State organizations and to stimulate a Brotherhood Bible-school campaign, we recommend that a National Bible-school Superintendent be chosen, said superintendent to devote all his time to this work under the direction of the National Bible-school Association. We recommend that this man be chosen by a committee composed of the President of the National Bible-school Association and the Secretaries of the Foreign Christian Missionary Society, the American Christian Missionary Society, Church Extension, National Benevolent Association and the Christian Women's Board of Missions. And we solicit the support of said Superintendent from the above named Societies until the Bible-school Association can provide for his support.

Third. We wish also to commend the unparalleled results of the Teacher Train-

ing Campaign under the inspiration of Herbert Moninger and Marion Stevenson, and to express our approval of the union Bible classes being organized as an agency of bringing in the unity for which Jesus prayed.

Fourth. We recommend the work being undertaken by Brother Pern in the Panama Canal zone as being worthy and essential. We would therefore commend its needs to the attention of the Acting Board, and if deemed advisable, that a missionary be sent to the zone during the period of construction.

Fifth. In view of the commendable work done by Brother Arry among his people in the Southland, the Scandinavians, we would recommend it to the careful attention of the Acting Board.

Sixth. That we commend the efficient service of the secretarial force of the American Christian Missionary Society with its division of labor for the past year, especially in the face of financial stringency for its splendid showing.

Seventh. That the American Christian Missionary Society use its good offices in an effort to gain the co-operation of all the National Societies in the support of the splendid work of the Superintendent of Christian Endeavor.

Eighth. In order to secure the highest degree of efficiency in the administration of our funds and that there may be no suspicion of extravagance in the expenditures of the American Christian Missionary Society during the Centennial Year, we recommend a committee composed of three representative business men of the Brotherhood be appointed at this Convention, who shall carefully scrutinize the methods of administration of the Home Office, and to report such findings to the Acting Board, such report to be taken as the will of this Convention.

Ninth. We recommend as the distinct Centennial Aim of the American Society this year, *City Evangelization.* To this end and in keeping with our President's address we recommend the selection of a committee of representative laymen who shall have as their especial work this year the conduct and financing distinct city campaigns.

Tenth. The City Board of Churches of Christ in New York City having investigated and found that there exist in that city a religious body similar in belief, faith and practice to the Disciples of Christ, who are regularly organized, with a pastor, holding religious services and doing evangelistic work; and have discovered that there are many other of similar belief with one or more ministers who may be brought together and organized; and that these Russian Christians estimate that there are in Russia a million or more of similar faith and practice with whom we should come in touch; and that Brother F. H. Norton, a Baptist minister, who has been working among these people for some time past, and being in full sympathy with them in their desire to be known as Christians only, has withdrawn from the Baptist Church and taken membership with us, is, if approved, to be maintained as our City Evangelist or Superintendent of Missions; and as the City Board expect to acquire the use of a large city church for a term of years and at a nominal rental, in which to conduct mission work among the Russians and other foreigners in connection with institutional and settlement house-work; we, therefore, recommend the co-operation of the American Christian Missionary Society with said City Mission Board.

Eleventh—Whereas, the Baptists and Disciples of Western Canada are in close accord in matters of religious belief and practice.

And Whereas, Baptists and Disciples in the said Provinces under the leadership and encouragement of the Executive Boards of the Baptist Convention of Western Canada and the American Christian Missionary Society have during the last year made favorable progress in co-operation and union;

Therefore, Be It Resolved, That this Convention approves and endorses the Ex-

ecutive of the American Christian Missionary Society in the line of action that has been pursued, during the official year just closed, in promoting co-operation and union among the Baptists and Disciples of Western Canada, and also that we favor the continuation of the said co-operation and the extension of the same, along Scriptural lines, with full, organic, spiritual union on the New Testament basis as the ultimate goal.

And Be It Further Resolved, That for the enlargement and strengthening of the said union that the said Executive be authorized and empowered by this Convention to conduct negotiations with the Baptist Convention of Western Canada through their Executive and to employ such evangelists and officers as may be deemed necessary to carry on the work effectually and with harmony and generally to do all acts and guide all movements in Canada that have for their end the promotion of this much desired and beneficial object.

Signed by the Committee:
- J. C. MASON, Texas.
- HOWARD T. CREE, Georgia.
- VICE-PRES. DAVIS, Lynchburg, Va.
- A. C. PIERCE, Colorado.
- FINIS IDLEMAN, Iowa, *Chairman.*

Colby D. Hall, of Waco, Texas, reported for the Christian Endeavor Committee as follows:

1. We wish to commend heartily the work of our National Superintendent, Claude E. Hill, and extend thanks to him for his efficiency and consecration.

3. We recommend the adoption of the work outlined in and in accordance with that of the Superintendent's report. We urge upon all Societies to push the Mission Study and Bible Study Classes most vigorously, and that February shall be observed as a Rally month to the end that the Centennial Aims may be more effectively carried out; and all the ministers be called upon to support this work of the young people.

This, probably the greatest session of the Convention, was closed with prayer, and the Convention adjourned, to meet in Pittsburg, Pa., October 11, 1909.

THE CENTENNIAL CAMPAIGN OF THE DISCIPLES OF CHRIST.

REPORT OF THE COMMITTEE FOR THE YEAR ENDING SEPTEMBER 30, 1908

Every year is God's, and every day is the Lord's Day. But the first day of the week hallows the other six. A right observance of July Fourth quickens and strengthens the citizen's patriotism for the whole year. God gave Israel not only a Sabbath, but a Sabbatic year and a Jubilee. In this era of fast and furious life and work all that is best in our souls ratifies the supreme devotion of the Centennial Year to Christian faith and service.

Three years we have been agitating, equipping, drilling, preparing for the crowning year. Three generations we have been growing, multiplying, organizing for the grand achievements contemplated in our Centennial Aims. Let no hand or heart fail in the day of harvest!

Like the altar of twelve stones at Gilgal, the Centennial is starting inquiries and affording opportunities to acquaint the children of our own homes and the youth of our own churches as well as our neighbors and passing strangers with the inspiring history of the Current Reformation and its fundamental principles. Sermons, lectures and special addresses on these themes are heard with new interest. Every appearance and pronunciation of the word "Centennial" will start additional inquiries and quicken fresh interest. Every letter of "Pittsburg" and every figure of "1909" becomes a peg or a hook on which information can be hung that will produce conviction, lead to action and generate enthusiasm. Every effort put forth for the realization of any Centennial Aim will open up new avenues of opportunity.

Not only should there be special Centennial sermons from time to time, but the Centennial note should appear in every sermon. Not only should there be distinctive Centennial meetings, but the Centennial purpose should enter every meeting of every department of every church. (The Pittsburg Ministerial Association has a devotional Centennial quarter of an hour at the beginning of every weekly session.) Not only should there be special Centennial issues of all church newspapers and magazines, but every issue ought to bristle with Centennial matter: History, First Principles, Campaign Reports, Stories of the Pioneers, Current Records of Missionaries, Evangelists and Teachers, Pictures of Persons and Places of either historic or present interest. Every man who has a stereopticon should not only deliver illustrated Centennial lectures, but introduce a few Centennial pictures into every lecture. In short, every man who is concerned about the advancement of Liberty and Union in the Truth should count himself a Centennial agitator and draw on the Centennial Bureau in Pittsburg for literature and assistance.

There has been a gratifying demand for the Centennial edition of the Declaration and Address. One church has used five hundred copies of it. Many have taken one hundred each. A thousand have been sent to Australia. The need of its circulation and a general agitation of first principles is indicated by the general ignorance of this immortal document. It was only after a full and clear statement was made as to what it is that two hundred hands went up in one congregation, indicating that many orders for the pamphlet. The most interesting publication in the world to-day is God's Word. Next to it are the guide posts that show the way to its treasures. Foremost among these is the Declaration and Address. The unfailing currency of its Author's "Where the Scriptures speak, we speak; where the Scriptures are silent, we are silent;" "We dare, neither do, nor receive anything as of divine obligation, for which there can not be produced a 'thus saith the Lord,' either in express terms or by approved precedent," and other words that are axioms among us; and the permeation of all our thought—and to a degree the thought of America—with his ideas makes the widespread circulation of the document one of the duties and opportunities of the hour.

Improved organization, hand-to-hand effort, Centennial enthusiasm and Apostolic consecration have enabled most of the state societies to come through a trying year with substantial gains. All have done noble work. With better financial conditions they may all be depended upon to realize their Centennial Aims this year, hold each a fine Centennial Convention of its own, and come on to Pittsburg for a grand reunion of thanksgiving.

The American Christian Missionary Society comes through the panic without loss, even without last year's San Francisco Reconstruction Appeal. This is the lineal and logical successor of Thomas Campbell's Christian Association. Every Disciple ought to take pride in rolling up a superb Centennial offering this year.

On the high tide of prosperity at the Norfolk Convention the Christian Woman's Board of Missions undertook to reach $250,000 this year exclusive of the Centennial Fund. True to their time-honored habit of success, they report $259,863.55. The Centennial Fund not only reports $35,766.56, filling out the original aim with good measure, but helps the General Fund with $26,000 in real estate and equipment! The doubled aim of $200,000 will be realized for the Pittsburg report. The greater aim of 90,000 members will require a greater effort —but who doubts? This year's membership gain is 140 auxiliaries and circles and 5,148 members.

Naturally, the financial stringency was most keenly felt by the society that had stimulated offerings up to the highest. Receipts of $274,324.39 are ten per cent. below those of last year. The tide will turn for the Centennial and run all the higher for this slight ebb. Scores of churches and scores of individuals will enter the list of Living Links, and hundreds of new churches and tens of thousands additional members will make offerings in the Centennial Year.

In common with the American Christian Missionary Society and Foreign Christian Missionary Society, the Church Extension Fund has suffered by the panic. But the number of contributing churches has been steadily growing. This year demands not growth, but multiplication. Hundreds of congregations want to celebrate the Centennial with a new building. With many it is to mark the real beginning of effective service. They must be helped from this fund.

A good stride was made by the Ministerial Relief Board toward reaching our aim of worthy provision for every disabled minister. The receipts, while far short of adequate, are $3,200 ahead of last year.

The splendid year's record of the National Benevolent Association of the Christian Church: Two Centennial Aims realized—the new building in St. Louis

and the Old People's Home in Oregon—$122,301.64 new receipts, a gain of $25,321, or 26 per cent—presages a glorious Centennial Year for this federation of Apostolic ministries.

Education Day was better observed than ever before. Our ministers are learning to present the cause of Christian education without making the college a mendicant; to secure money without repelling students. Our schools are reporting the most auspicious opening in their history. The Centennial will be signalized by a concerted Endowment Campaign.

The magnificent success of our Teacher Training Campaign, under the especial leadership of Herbert Moninger and the *Christian Standard* and *Lookout*, enrolling in half time 90,000 on an original aim of 5,000 graduates, makes us confident of bringing the enrollment up to 200,000 for the Centennial. We are also sure of 100,000 women and 100,000 men in 10,000 organized Adult Classes to report at Pittsburg. These are everybody's tasks—all papers, all preachers, all members. Ring out again the watchword: "All the Church, and as many more in the Bible-school!"

The Centennial Aims are being splendidly realized. Let especial emphasis be placed upon:

1. The Primacy of Prayer. Our religion rests in divine power or utterly fails.
2. The necessity for having our church papers in every home. He who knows nothing does nothing, is nothing.
3. The Bible--school Advance. Each state systematically striving to realize its quota of the Aims. The Lord's servant of whatever age should be in the Lord's house, on the Lord's Day, studying the Lord's Word with the rest of the Lord's people. If it is important for the child to learn God's Word, it is important that the man should know it.
4. The securing of one thousand recruits to our ministry this year, each state definitely furnishing its share.
5. The realization of the published Aims of every institution and organization, to a total of $2,000,000. This is our Centennial. Heroic sacrifice is not only justified, but required.

In every congregation some souls shine out in the modest glory of symmetrical Christian character. Here and there is a church in which these are numerous enough to stamp the body Apostolic. Look at Bolenge, with all its members and twice as many more studying God's Word constantly, giving from one-tenth to one-half their incomes and supporting every tenth member as a missionary! See Bethany, Nebraska, with a hundred giving beyond the tenth and making Cotner University a dynamo of Christian purpose as well as a magazine of Christian equipment. Behold the same vital and vitalizing faith in every one of our college communities. To call the roll is to thrill the hearts of all who know. See North Tonawanda Tabernable, Bellefontaine, Alexandria, Cameron, Fourth Akron, Tuxedo, Md., Jubbulpore and most of the foreign churches enrolling every soul of their increasing membership in the study of God's Word and enlisting each in the service of love. Mark the influence of representative Churches of Christ in all sections of the continent. The ripe fruit of Apostolic Christianity will draw all men to the divine tree. Let the leaf of doctrine and the flower of ordinance fulfill their promise!

The Centennial Bureau has issued this year 44,000 circular letters, 20,000 copies of the Declaration and Address and 130,000 leaflets. The Secretary traveled 33,632 miles (40,545 in the calendar year 1907), and spoke 207 times in 13 colleges, 20 conventions, 45 rallies and 78 churches. The last Centennial Tither's Certificate issued was No. 2019.

The Provisional Program for the Centennial Celebration provides for the usual sessions of our annual conventions, beginning Monday evening, October 11, with a Christian Endeavor Rally, and culminating Friday evening, October 15, with a Bible-school demonstration. The night sessions will occupy three halls with parallel schedules. Saturday, October 16, is to be Centennial Day, with addresses on the following themes in four or five halls simultaneously:

1. "The Origin of the Restoration Movement."
2. "Thomas Campbell and the Principles He Promulgated."
3. "Alexander Campbell, Barton W. Stone and Walter Scott: Advocates of Liberty and Union in the Truth."
4. "Isaac Errett's Contribution to the Movement."
5. "Progress and Achievements of a Hundred Years."
6. "Outlook and Appeal."
7. "The Place of the Lord's Supper in the Movement."
8. "The Lordship of Christ."

Let every Ministerial Association have papers on these themes and every pulpit sermons on the same topics.

Interspersed through these sessions will be fraternal addresses from England and Australia and from leading religious bodies of America. Sunday the pulpits of greater Pittsburg, as well as the convention halls, will be occupied by representative preachers reserved from earlier sessions for the purpose. Every session from Monday to Sunday will be marked by appropriate demonstrations: The presentation of missionaries and representatives from all lands, the review of Bible classes, colleges and college classes attending in a body, the roll call on Centennial Aims, etc., etc., etc. The crowning event of the week will be the observance of the Lords' Supper Sunday afternoon, October 17.

A splendid arena for the celebration is afforded by the grouping of Duquesne Garden, Carnegie Institute and Soldiers' Memorial Hall and a number of great churches about the entrance to Schenley Park. A score of street car lines pass through the tract. The library and reading rooms, museums and art galleries of Carnegie Institute, as well as the music hall, with its foyer, cloak rooms, committee rooms and parlors, a magnificent establishment 400 by 600 feet, will be at the service of the delegates. The Soldiers' Memorial Hall will be finished in June at a cost of $1,250,000, and will be a worthy companion to Carnegie Hall both in beauty and in completeness of appointments. Duquesne Garden is the largest of the halls, with capacity for 8,000 people and every provision for comfort. It was the scene of the recent brilliant Sesqui-Centennial reception of the cit yof Pittsburg. Within the triangle formed by these three great halls is a splendid vacant field for whatever temporary structures may be required for restaurants. This is our golden triangle. Pittsburg is the Holy City for 1909!

STATISTICAL REPORT

Disciples of Christ

1908

That a people who are manifestly making splendid growth should number just about the same from year to year appears absurd. Three things explain the fact. First, reports are incomplete, and estimates made in their absence are inside the real numbers. Second, two thousand churches are insisting that the majority of the brotherhood has apostatized and are refusing to be counted with us. The forthcoming United States census report will show a complete separation, but some of its statistical results have already been discounted by the State Secretaries, who make up the reports. Third, we actually lose many members through lack of preachers to shepherd them, and through their removal to places where we have no churches.

No attempt is made to report the amount raised for local expenses and the support of pastoral and evangelistic preaching. The returns are too meagre to justify a guess. These items should be added to next year's reports.

This is the sum which we must raise to $2,000,000 this Centennial Year.

Three interesting tables follow. Estimates and old figures had to be used in some instances. Starting with the Centennial Year, which coincides with the publication of last year's Religious Census, we should be able to tell where and how many we are and what we are doing so fully as to help us realize our mission in the world.

REPORT OF THE CALIFORNIA RECONSTRUCTION COMMISSION.

American Christian Missionary Society, Cincinnati, Ohio.

Gentlemen—With this we hand you the report of the California Reconstruction Commission from the time of the first receipt of money in October, 1906, to October 18, 1908. In addition to the sums named in the report, there remain pledges unpaid to the amount of about $6,000, which we are hoping may come in soon. We have many mission points that we have been unable to help, and the receipt of this additional money would be a blessing indeed.

We wish to extend our heartfelt thanks to our brotherhood that has listened to our cry and responded so freely to our needs. Without the help that came to us, sad indeed would have been our condition. It will be impossible to mention all who, by their counsel and encouragement, made it possible for our men to carry on their work, but we wish especially to thank the American Christian Missionary Society for its unstinted co-operation. In the dark hour of our greatest need, the Executive Committee of this society generously, and in a Christian spirit, proffered us the use of its office and office force in our proposed appeal, and all through the campaign it assisted by advice, and also by direct subscriptions from its members. Without the co-operation of the American Christian Missionary Society our work must have been a failure and we cheerfully acknowledge our gratitude.

We wish also to thank the C. W. B. M. for its timely gifts. The first money received by us came from this organization and was both an inspiration to the members of the Commission and a means of relief to one of our suffering churches to which it was immediately forwarded.

Our religious papers were most kindly and generous to our cause and to them we gladly offer our thanks.

Of individual givers and churches we cannot speak but to each one our hearts go out in thanksgiving.

Neither will we speak of our own California men who invaded our eastern strongholds and did such effective work, but a word of commendation is due to our special field secretary, Brother P. C. Macfarlane. To him more than to any other one man we may ascribe the success that crowned our efforts. His intelligent and comprehensive grasp of the whole situation, his ability to organize and lead, and the masterful and forceful personality which he brought to the undertaking compelled success when hope seemed lost and failure loomed large before us.

We feel that not the least of the benefits to accrue from our campaign to aid our stricken and mission churches will be the broader feeling of sympathy and brotherhood that will come to all our people, both to those who gave and those who received. Over all our efforts we know the smiling favor of the great Captain of our hosts was vouchsafed and to him we ascribe all praise and honor. May he continue to shower His blessings upon our whole people, and may we all, in humility, strive to be in some degree worthy of His goodness.

OUR NEW CENTENNIAL AIMS.

In order to set something definite and practical before us as a Centennial Aim, we recommend that we direct all our efforts toward increasing our annual receipts to $200,000 in our Centennial Year.

To this end we recommend that we make an effort to secure:

$85,000.00 from the Churches as churches.
$20,000.00 from the Sunday-schools.
$ 6,000.00 from the Endeavor Societies.
$ 2,500.00 from Ladies' Aid Societies.
$26,500.00 from Annuities.
$60,000.00 from Annual Memberships of $10.00 each, Life Memberships of $100.00 each, Life Directorships of $500.00 each in our Centennial Convention at Pittsburg. We will recognize these memberships by issuing to the donors appropriate Memorial Certificates.

✣ ✣

CENTENNIAL BANNER FOR LARGEST OFFERING FOR INLAND EMPIRE WORK.

The C. E. Society of the First Church, New Castle, Pa., made the largest offering for Inland Empire work, and was awarded the Centennial Banner for this year. Next year, at Pittsburg, this beautiful gold leaf lettered banner will be given the Society making the largest offering to Inland Empire work between September 30, 1908, and September 30, 1909, to hold forever as a Centennial Souvenir.

✣ ✣ ✣

CONQUEST FLAG FOR BEST INLAND EMPIRE DAY DECORATIONS.

The C. E. Society of the Williamsville (N. Y.) Church was awarded at New Orleans the Christian Conquest Flag for having the best decorations on Inland Empire Day. At Pittsburg next October another flag will be awarded, on the same conditions, to the Society having the best decorations.

✣ ✣ ✣

STATE BANNER.

In order to encourage the Societies in the state conventions to make larger offerings, we will give a Christian Conquest Flag to the largest contributing Society to Inland Empire work in each of the states. Offering must be received between September 30, 1908, and September 30, 1909.

✣ ✣ ✣

CENTENNIAL CERTIFICATES.

Any Society making an offering of $10.00 to Inland Empire work will receive a Centennial Certificate.

✣ ✣ ✣

HOME MISSION C. E. LESSON HELPS.

Every other month the Christian Endeavor topic is a Home Missionary one. We furnish, free, printed helps on these topics to all Societies co-operating with us in our Inland Empire work.

Texas School Lands

$1.00 to $5.00 Per Acre

Texas has passed new School Land Laws. Millions of acres are now to be sold by the State at $1.00 to $5.00 per acre; only one-fortieth cash, and no more to pay for 40 years, unless you desire; only 3 per cent interest. You can buy 160 acres at $1.00 per acre, payable $4.00 down and 40 years' time on the balance, 3 per cent interest. Greatest opportunity ever offered to farmers and investors. Land better than Oklahoma, Iowa or Illinois. Send 50 cents for Book of Instructions, New State Law and Map of Texas, and I will tell you FREE how to secure list of over 400 million acres of vacant public lands in 25 different States, which are open to homestead. Address

E. C. HOWE, 1199 Hartford Building, CHICAGO, ILLINOIS.

BOOK NOTICES.

How to Know the Holy Bible—80 pages bound in stiff board covers, price 20 cents; $15 per 100 not prepaid.

This book is also from the press of the Praise Company, and belongs to the class of books being largely used for teacher training and adult Bible classes. It is better than some which are more pretentious.

✣ ✣ ✣

Four books from the press of Thomas Y. Crowell & Co., New York.

On the Open Road—A Creed of Wholesale Living. By Ralph Waldo Trine, author of "In Tune with the Infinite." Decorative type, 12mo, net, 50 cents. Postage, 5 cents.

This book is neither large nor ambitious, but is designed to fill the need of a convenient pocket mentor, a little daily "creed of wholesome living." The unpretentious volume is really devoted to a series of layman's sermons, each focusing upon some every-day thought. For example, his first text reads: "To live our highest in all things that pertain to us; and to lend a hand as best we can to all others for this same end."

The book is handsomely printed in decorative type, and bound in unique style.

✣ ✣ ✣

The Wider Life—By J. R. Miller, author of "Silent Times." 285 pages, 16mo, plain edges, 65 cents, net; cloth, 85 cents, net. Postage, 8 cents extra.

Dr. Miller brings out a new volume of collected addresses and sermons each year, and each succeeding book reinforces his wide reputation for a large grasp of essentials and for timeliness. He never seems to lose touch with the needs of the people, which means that he remain *in rapport* with the world at large. The present book has a message at once for the church-goer and the hard-headed business man.

"We do not realize half our possibilities. We do not more than begin to possess our inheritance. Our hills are full of gold and we only scratch the sand and the shallow soil on the surface. We live in little dugouts in the valley when there are splendid palaces waiting for us on the hilltops. Shall we not push out our tent-pins and get more room to live in?"

✣ ✣ ✣

Evening Thoughts—For every day in the year. By J. R. Miller, author of "Morning Thoughts." 365 pages, 16mo, plain edges, 65 cents, net, gilt top, 85 cents, net. Postage 8 cents, additional.

This is a companion volume to the same author's "Morning Thoughts" issued with such success last year. The idea is to present little one-page talks based upon selected verses of Scripture, which may be followed day by day as a brief evening devotion. For such a meditation the best help is a word of God that will guide our thoughts and lead us into close communion with Christ.

"These Evening Thoughts have been prepared in the hope that they may prove helpful to those who are in the habit of enjoying such a silent time at the close of the day."

✣ ✣ ✣

Glimpses of the Heavenly Life—By J. R. Miller. The annual holiday book by this well-known writer. Profusely illustrated. 12mo, cloth, 50 cents, net; postage, 5 cents additional.

NOTES.

H. F. Lutz recently closed a good meeting in Wilkesbarre, Pa. E. E. Cowperthwaite has retired from that work and is succeded by C. H. Frick.

✣ ✣

The mission in Dunkirk, N. Y., recently closed a very successful meeting in which L. C. McPherson aided his brother, R. P., our missionary. Brother R. P. McPherson is one of the hardest working, most self-sacrificing ministers in our brotherhood.

✣ ✣

In writing of a recent meeting, our Evangelist, Lawrence Wright, says,—"I tried to do two things. First, teach these people to work together happily among themselves, and second, to locate a good minister with them." We commend these two things to all the evangelists.

✣ ✣

Claude E. Hill is beginning a meeting with Thomas Lennox in our mission in Pensacola, Fla. The mission is prospering, and is about to purchase a lot.

✣ ✣

"Without large capital with which to prosecute our work, I think that Brother Mobley in Winnipeg, and myself at this point, will be against almost an impossible proposition. Large sums of money are necessary to establish churches in these great Canadian cities."—H. H. Saunders, Vancouver, B. C.

O. M. Eaton of Pennville, Ind., is entering the field as an evangelist, and is immediately available for work .

✣ ✣

D. T. Stanley of Little Rock, Ark., and Harry W. Miller of Troy, N. Y., have entered the field as evangelists. They may be addressed at 134 Riverside Ave., Little Rock, Ark.

✣ ✣

R. H. Fife and son, Kansas City, Mo., are holding splendid meetings. They expect their team to be increased by Brother Fife's other two sons next summer. The quartette will be available for work in big places. Now is the time to make dates with them.

✣ ✣

The Fife Team of Evangelists are proposing to have all the people in a church with which they are holding a meeting, wear buttons bearing this inscription, FIFE MEETING TO-NIGHT. We commend this to the consideration of our evangelists.

✣ ✣

E. E. Cowperthwaite, who has recently reigned in Wilkesbarre, Pa., has baptized 111 persons during his ministry in that mission, and received in all 182. His work is considered highly satisfactory and successful.

✣ ✣

Arthur Stout, Artesia, N. M., in spite of heartbreaking domestic conditions, a sick wife and the death of his babe, reports the steady progress of that work. Six brethren from the non-co-operative church have just taken membership. The mission expects to pay the last of its debt in January.

✣ ✣

Wm. Burleigh, of the Portsmouth, Va., mission, is desirous of some strong man volunteering to hold a meeting there. The mission is unable to pay for a meeting. Some strong church ought to bear the burden of a weak one, and lend its minister. Which one will volunteer? The same is true of the West Side Church, Chicago, Ill., C. M. Kreidler, minister. Who will help him?

✣ ✣

Thomas J. Shuey, Seatle, Wash., reports a very busy year, having spent eighty days in the field away from his church pending the arrival of J. W. Baker, Superintendent of Missions. His meetings resulted in sixty accessions to the mission, the organization of one church of twenty-three members, and much other good done.

✣ ✣

Brother Joseph Keevil, Brooklyn, N. Y., is studying the situation, and preparing to inaugurate work among the immigrants, and an institutional work in Brooklyn. We consider this one of the most important departures in the history of the American Christian Missionary Society.

✣ ✣

The recent meeting conducted in our mission in Tucson, Arizona, by Victor Dorris, resulted in 20 additions to the church. We were in hopes that the mission would assume self-support after this meeting.

✣ ✣

O. A. Adams, Sheridan, Wyo., reports a splendid meeting just closed. Allen Wilson, Evangelist, did the preaching. There were 107 baptisms; 29 other additions. The church is about to assume self-support, and established one or more missions.

✣ ✣

Richard H. Standerwick, minister of the Union Church in Nanton, Alberta, Canada, is a strong believer in the union work. He speaks as follows of the Laymen's Missionary Movement: "The Laymen's Missionary Movements has reached us, and is proving a great inspiration. We are looking for great things from it in Canada, for it covers both Home and Foreign Missions."
